Innovative ways of including low qualified ex offenders and ex prisoners to labour market

www.inforexproject.eu
What are project objectives?

- To develop a training model which could be performed on the job and not in classrooms
- Entrepreneurs will be trained to work with our target group - (ex) offenders
- A certificate will be issued to the participants confirming their skills obtained
- 12 entrepreneurs involved as adult trainers in each participating country
- Each entrepreneur involved will train 2 participants (in total - 144 beneficiaries)
